## Who It Is For

---

-  Students needing dorm laundry solution
-  Apartment residents with limited space
-  Travelers requiring portable washing
-  Busy households with quick wash needs

## Who It Is Not For

---

-  Users needing 10+ lbs capacity
-  Those without drain pump access
-  People requiring smart app controls
-  Commercial laundry operations

## Trade Offs to Consider

---

-  Less energy efficient than full-sized units
-  Limited drying capacity compared to standalone dryers
-  Requires manual drainage setup
-  No built-in smart home integration

## How It Compares

---

- Portable vs. stationary washing machines
- Compact design vs. full-sized units
- Single unit vs. separate washer/dryer
- Basic controls vs. smart home features

## Choose This If...

---

- ✓ Need portable laundry solution
- ✓ Have limited living space
- ✓ Require quick wash cycles
- ✓ Want stainless steel drum

## Skip This If...

---

- × Need large capacity laundry
- × Require smart home integration
- × Have no drain pump access
- × Need commercial-grade performance
