

Samsung WA47CG35KIT1 Top Load Washing Machine Bundle

QUICK BUYER GUIDE

Ideal for homeowners seeking smart home integration with built-in waterjet and self-clean features

At a Glance Specs

CAPACITY

4.7 cu ft capacity for large loads

DIMENSIONS

29.3 x 27 x 45.1 inch footprint

INSTALLATION

Freestanding with drain hose included

CONTROLS

Touchscreen interface with Wi-Fi connectivity

MATERIAL

Stainless steel drum for durability

SPECIAL FEATURES

Vibration reduction for quiet operation

BUNDLE INCLUDES

Waterjet faucet and 1-year CPS protection

Who It Is For

-  Homeowners with limited laundry space
-  Users needing stain-treatment capabilities
-  Smart home adopters with Wi-Fi access
-  Families with multiple laundry loads

Who It Is Not For

-  Those requiring front-load machine efficiency
-  Users without built-in faucet installation
-  Individuals prioritizing ultra-quiet operation
-  Small-space dwellers needing compact design

Trade Offs to Consider

- Smart features vs. front-load machine efficiency
- Noise during spin cycles vs. quiet operation
- Included faucet vs. separate installation costs
- Top-load design vs. space-saving front-load

How It Compares

- Smart controls vs. traditional washer interfaces
- Waterjet faucet vs. separate stain-treatment tools
- Vibration reduction vs. front-load energy efficiency
- Bundle pricing vs. individual component costs

Choose This If...

- ✓ You need smart home integration
- ✓ Self-clean cycles are a priority
- ✓ Top-load design fits your space
- ✓ Bundle includes protection plan

Skip This If...

- × You prefer front-load machine efficiency
- × Noise during spin cycles is a concern
- × You lack built-in faucet installation
- × Space is a critical constraint
